Using the .ics file to be reminded for homework

You will never need to check the homework calendar again!
On the left is what you will see after you finish these easy steps.
This example uses Google Calendar, although these files can also be used with other calendar applications.
If you have questions or want to help out with the project, feel free to contact me at vz42457@pausd.us !

Calendar Name:

Homework

Organization:

PAUSD

Description:

Location:

e.g. "San Francisco" or "New York" or "USA." Specifying a general location will help people find events on your calendar (if it's public)

Calendar Time Zone:

Please first select a country to select the right set of time zones. To see all time zones, check the box instead.

Country:

United States

(choose a different country to see other time zones)

Now select a time zone:

(GMT-07:00) Pacific Time

☐ Display all time zones

☐ Share this calendar with others

☐ Make this calendar public [Learn more](#)

See only free/busy (hide details)

☐ Share this calendar with everyone in the organization PAUSD

See all event details

Step 3.Go back to the home screen, and click the “import calendar” button.
